LYRICS • NGĀ KUPU

Composed by James Tito, Maaka Pohatu, Matariki Whatarau, Francis Kora & Matu Ngaropo

We thank you for the Kai,
you fed us up just right,
now we're set to party for the night.

He mihi ki ngā ringawera mo te kai!

You can't go past that wild pork,
the stuffing you can't beat,
watercress and kumara so sweet.

Kia ora to the hunters for the meat!

Koura tails and kina roe,
we could eat for hours,
kutai, raw fish, don't forget cream paua.

This is our shout out to all the divers!

But when you think you've had enough,
there's still more yet to come!
Save some room for dessert,
we've only just begun!

Steamed pudding with some custard,
trifle and whipped cream.
All I need right now is a kapu tī.

...but what are we gonna do with all these left others my breathers?

Well that morning fry up kai is gonna be mēan... Noreira!

He paku noa te waiata, engari nui rawa te aroha!
He mihi ki ngā ringawera mo te kai!
He mihi ki ngā ringawera mo te kai!
