

DON'T FALL IN LOVE

LYRICS • NGĀ KUPU

Composed by James Tito, Maaka Pohatu, Matariki Whatarau, Francis Kora & Matu Ngaropo

My darling
Don't fall in love x3
With me

I'm a cheat
I'm a liar
It's much too hard for me to control my desires
I'm just a man with too many fears
Don't give me your heart it'll only end in tears

So my darling
Don't fall in love x3
With me

Now there was a time when I found love
I gave her the world and the heavens above
But hurt people hurt people
Please do yourself a favour and find someone else

Don't fall in love x3
With me

I'll always love you
This feeling is strong
But I'll never forgive myself
When I do you wrong

Don't fall in love x3
With me

Don't fall in love x3
With me
